

The Yoxford Yapper

June 2019

Edition 44

Summer has arrived in Yoxford and today's Open Gardens really kicked it off to a great start. The gardens were pristine, the weather perfect and there was plenty of tea and cake, the staples of country life, to sustain one along the way. Birds was the theme and whether its helping swifts by putting up boxes or planting a wildflower meadow it is a reminder that we can all do something to help our increasingly stressed natural environment.

St Peter's Church

The following missive has been received from the Almighty...well the churchwardens anyway!!
"The flooring is down and the church is looking beautiful, but the boring bit of work, such as the lighting upgrade, is now going on, so please bear with us. As soon as we have the opening date we will let the village know and welcome everyone back to our beautiful church".

History Group Exhibition

The History Group would like to thank everybody who supported and came to view the recent exhibition, "School Days and Health" in the Village Hall. It was a very successful exhibition as lots of people came who had attended the school over the years. Even the Great grandson of the village doctor from the 1930's visited. It has all given them lots more information in recording aspects of the history of Yoxford.

There will be another exhibition later in the year.

Quiz Night

The recent quiz night in the Village Hall raised £545 for the Village Hall new build fund. A huge thank you to Dave and Sheena Tower for organising and running what was a really enjoyable evening.
