

The Yoxford Yapper

December 2018

Edition 38

“Christmas comes but once a year”, for which some of us will be greatly thankful, for others it’s once too often. For others of course every day feels like Christmas or they wish it was. We here at Yapper HQ fall firmly into the category of not expressing an opinion on such a divisive issue as the merits of Christmas, which almost has the capacity to make Brexit look like a walk in the park...or maybe not!

However it will soon be time for the enormous “Humbug” sign to appear in bright lights in the middle of the village, a beacon that provides both cheer and a warm sense of optimism on these dark winter nights!
