Village Matters

If you go down to the woods... Over the coming weeks, a new picnic bench will be placed in Yoxwood. Funded by the Parish Council, the bench is UK made from

recycled plastic; a small but important measure to think environmentally. 

Anyone for tennis? If you're a member of the village club, you will have seen the smart new boarding which has been completed our tireless Contractor, Billy Mannall. It really does give such a professional look to the courts. Book a court now by contacting Cllr. Greenberg on 07867 52169. 

Village Hall Pub Nights. Council is thrilled that the three pub nights it's held, have been so brilliantly supported by members of the village and local area. It's been great to see so many people come together and enjoy a drink and a natter and bring the Hall alive, even when the power goes down! The 'Torchlight Three' bar team will hand over their torch for next month's so pop the dates in your diary and come on down from 6-11pm .
